Creating Developer Apple Account

1. Visit the below link for finding your DUNS number of your company.
2. <https://apple.co/2V93unS>
3. Click agree & enter the details as per your government registration like Apple private limited and the provide the company address which you have registered.

The image shows two screenshots of the Apple Developer website. The top screenshot displays the 'Apple Developer Agreement' page. It includes a navigation bar with links like 'Developer', 'Discover', 'Design', 'Develop', 'Distribute', 'Support', and 'Account'. The main content area states: 'This is a legal agreement between you and Apple.' followed by a 'Download PDF' link. Below this, there is a section titled '2. Developer Benefits' which describes the opportunities for Apple Developers, including attending events and receiving services. At the bottom of this section, there is a checkbox with the text: 'By checking this box I confirm that I have read and agree to be bound by the Agreement above.' The bottom screenshot shows the 'Look up your D-U-N-S Number' page. It has the same navigation bar. The main heading is 'Look up your D-U-N-S Number'. Below the heading, it says: 'Before enrolling, look up your organization to see if you have a D-U-N-S Number. Dun & Bradstreet may have already assigned one to you. If your organization is not listed, you'll have the option to submit your information to D&B for a free D-U-N-S Number.' There is a section titled 'Organization Information' with a dropdown menu for 'Country / Region' set to 'India'. Below this, there is a text input field for 'Legal Entity Name' and another for 'Headquarters Address'.
